

PRINTABLE RING SIZER

Instructions:

FIRST. Print this page at 100%. Measure the 1 in. or 1 cm line below to check that it printed accurately. *NOTE: This sizer will not work if it was printed incorrectly.*

THEN. Place a ring that fits you over the circles below. Make sure that the outline of the circle comes perfectly against the inside of your ring without overlapping.

OR. Use a piece of string or paper to make a ring around your finger. Mark where the paper overlaps to form a circle, then lay it flat against the bars below to find the matching size.
